# CABLES AND CONTROLS

Cables listed may not be suitable for vehicles with engine conversions, please call for advice.

Choose LHD (left hand drive) or RHD (right hand drive) for the cable you require - UK spec cars are RHD.

Your gear change problems could just be down to a broken or worn bush.

Carrying a spare clutch and accelerator cable is never a bad idea - you might need it one day.

# BODY

# BODY

3 door or 5 door, early or late.  
There's a whole host of options  
when it comes to parts for the  
body - be careful!

Sadly GTi and big bumper models  
feature lots of water traps and are  
prone to rust. Is it time to check  
what that body kit is hiding?

Big bumper models were never  
fitted with a front valance -  
looking to convert? Budget for  
that too.

Check how thick your side trims  
are before ordering arches. '90  
spec vehicles had much slimmer  
profile trims. Sadly these trims  
are not currently available to us.

# INTERIOR

Need seat covers? Sadly at present we cannot offer OEM style seat covers. Please call to discuss custom requirements or fabric availability.

Can't tilt your seats forward to let your passengers in the back? The cable has probably snapped. Don't panic - we sell them.

Headliners - due to the size of this part and how fragile they are, we are unable to offer replacements at present.

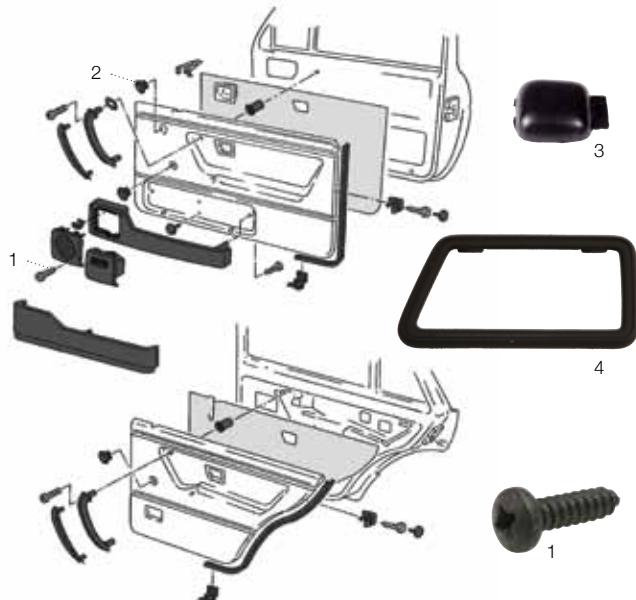

Suffering from wet carpets? Check your door membranes, heater inlet on scuttle panel or sunroof drain tubes, all could be causing the problem.

### BOSS KIT FOR GRANT WHEELS

1

These are specific and use a 3 hole boss unlike other wheels on the market.

<b>Small Spline Models</b> , typically -7/87, 16mm spline	AC400GT3568	each £31.20
<b>Large Spline Models</b> , use the above boss kit. But you will have to remove the adapter sleeve from your steering column, which can be tricky.		<b>Call for advice if required.</b>

# ELECTRICAL

As we classify all our parts by VW part numbers, you will find windscreen wipers and blades in this section.

Where is your hazard warning light switch? This will help us identify the correct electrical components for you.

Unsure if the part we sell is the same as yours? Why not email us a photo so we can double check for you. sales@vwheritage.com

Car alarms - sorry we don't deal with these or sell parts for them. Speak to your local car audio shop - they should be able to help.

# BOOKS, TOOLS AND CONSUMABLES

Stuck for a present? VW enthusiasts can never get enough books about Volkswagens!

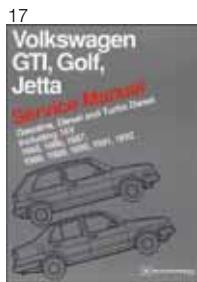

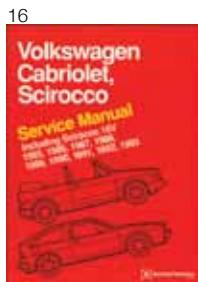

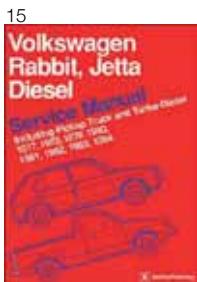

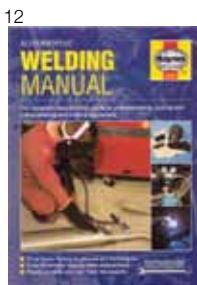

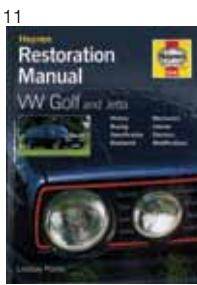

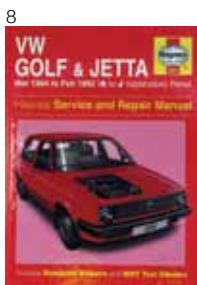

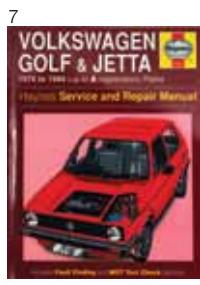

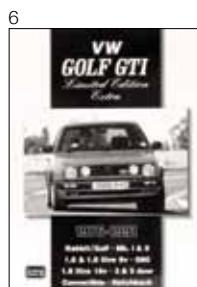

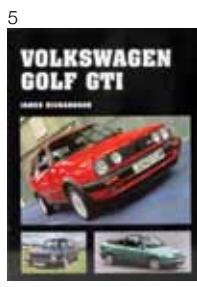

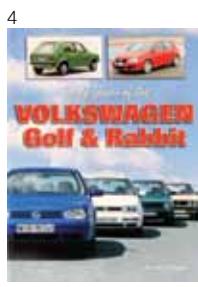

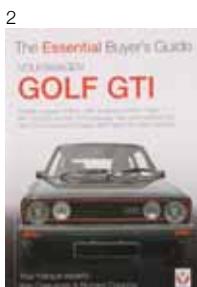

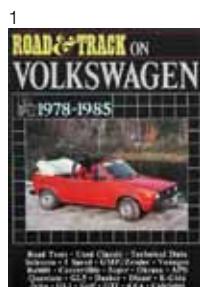

Bought the parts to do the job - have you got the relevant consumables in stock to make life easy?

... Save yourself paying for a mechanic, buy a manual for less than an hour's labour and do the job yourself!

Don't blame your tools! Get the right tool for the job and save yourself a lot of swearing and shouting.

## BOOKS

Not all of these are specific to the second generation Golf, but might still be of interest to you. If you are unsure please ask.
